Benefits:

- Very comfortable helmets; for many years we studied how to improve the liner and now we have a comfortable one.
 - Only 5 sizes that usually cover the 3 ones of our Zar Helmet.
 - Craft & handmade works that permit to take care to all particulars.
 - 4 different leather liners (2 black and red + cioco and tan).
 - There are 2 styles with a visor; Visor available on request and could adapt also on other styles that we sell without it.
 - High quality & technic craft made items
 - Video available that show how we are producing and realizing the helmets
 - Our helmets are colorful leather & varnished ones; They have a good appeal on the on-line stores
 - As they are craft made items the customers could wait 7-10 days to receive them;
 - Our helmets are beautiful and high-quality products that have value
 - The leather is stitched on the helmet and not glued; you can change the leather cover or varnish them if you need.
 - For the new season 2018 we introduced 5 new styles into our collection: Colorful varnished & leather border ones.
